

3RD ANNUAL CONSIGNMENT SALE

OCTOBER 28, 2023 · 1 PM

TENROC RANCH • 5471 THOMAS ARNOLD RD., SALADO, TEXAS 76571

Hello and welcome

TO THE THIRD ANNUAL ANGUS BREEDERS OF TEXAS SALE.

It has once again been the privilege of Robinett Auction Services, LLC to work with the consignors of the 2023 offering. These producers represent some of the best Angus breeders in the great state of Texas.

As we bounce back from a hard summer, we enter the fall with optimism for the future of the cattle business--both registered and commercial. We are in a bullish market as the national cow herd has been on the decline for the past couple years. The market looks good and likely it's here to stay!

We are proud of the genetics you will find in this year's offering. We believe there is something in this sale for everybody, whether you are establishing a foundation or adding to your program. It is our goal to help the Texas programs that choose to breed registered Angus cattle for the betterment of the nation's cow herd and the consumers that enjoy the protein that we put before them.

If we can do anything to help you before, during or after the sale, please don't hesitate to ask. We would like to be of service to you and your cattle.

Sincerely,
Troy Robinett
Sale Manager & Auctioneer

Announcements

All announcements from the auction block will take precedence over any printed material.

Liability

All persons attending the sale and related functions do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The owners and hosts assume no liability for loss or damages however so caused.

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

Terms & Conditions

The terms of the sale are cash or bankable check unless arrangements are made prior to the sale. Satisfactory settlement must be made with the clerk of the sale immediately after the close of the sale. Only when the above conditions are met will the buyer be able to load cattle. In no case will animals be released unless settlement is made with the clerk of the sale. Any handling or guarantees of embryos are between the buyer and seller. All shipping costs are the buyer's responsibility and at the buyer's expense. All cattle sell under the standard terms and conditions as recommended by the American Angus Association.

Errors

The material in this catalog has been carefully edited. If errors or omissions are discovered, they will be announced. Such announcements take precedence over the printed material in this catalog. Neither the editors of the sale book, the sale manager, nor the consignors can assume any responsibility for errors or omissions in the sale book.

Responsibility

The consignors will represent and be responsible for their animals. In no case will the consignor be responsible for any damages beyond the selling price of the animals. The sale manager assumes no responsibility, no warranties and no guarantees on the cattle presented in this sale. All transactions are between the buyer and seller.

- ASC Luna 0112 is a bold-made direct daughter of the \$900,000 Poss Deadwood out of an out-crossed dam sired by Frey's Opportunity. And check out her maternal pedigree that has the immortal 2 Bar Mile High 9360 in it, which makes her ideal for most current sires in use. Luna 0112 comes with 15 Top 35% EPDs and \$Values in the Angus breed. Now that is a balanced set of numbers! Don't miss out on this breeding piece.

- K1616 is probably the biggest-volumed female of these three sisters. A unique combination of Ashland, Ten X and Consensus 7229 makes this heifer a sure bet for people breeding for genetics that have and will withstand the test of time. With over a +1.0 for Marbling, this heifer is not only good looking but an easy choice to also add carcass traits that are very sought after.

- Pasture Exposed from 12/6/22 – 3/1/23 to ROCC Top Game 822, Reg # 19558892. A maternal based female that will put milk and weaning weight back in your herd. Top 20% for Marbling, so calves will grid in the feedlot.

- Pasture Exposed from 12/6/22 – 3/1/23 to ROCC Top Game 822 Reg # 19558892. This is one of my favorite cows. Moderate framed, easy fleshing and pleasant to look at. In fact, we flushed her several times in order to make replacement females. Last calf weighed 69 lbs at birth and 694 lbs weaning weight. Her calves are carcass standouts and should grade USDA Prime!!

Updated EPDs can be found in the
online sale book at [Angus.org](https://www.angus.org)

- Selling 4 conventional flush embryos, flush performed on 3/22/23. Blackcap 8981 is a full sister to the \$400,000 valued EXAR Stallion coming from the \$115,000 Blackcap 3385. HCC Whitewater is a heavily-used sire in the Ankony Leachman and RA Brown programs for his high-carass quality coupled with high-feed efficiency. Expect this mating to produce a future herd sire or donor dam. Embryos are stored at Superior Progeny and Nutrition in Abilene, Texas. Buyer is responsible for shipping costs.

EXAR Stallion - Full Brother to the Dam of Lot 63 Embryos

EXAR Blackcap 3385 - Granddam to Lot 63 Embryos

HCC Whitewater 9010 - Sire of Lot 63 Embryos
