Saturday, September 21st
8:00am • Cattle available for viewing
11:30am • Lunch provided
1:00pm • Angus Breeders of Texas 4th Annual Sale

Announcements

All announcements from the auction block will take precedence over any printed material.

Liability

All persons attending the sale and related functions do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The owners and hosts assume no liability for loss or damages however so caused.

Terms & Conditions

The terms of the sale are cash or bankable check unless arrangements are made prior to the sale. Satisfactory settlement must be made with the clerk of the sale immediately after the close of the sale. Only when the above conditions are met will the buyer be able to load cattle. In no case will animals be released unless settlement is made with the clerk of the sale. Any handling or guarantees of embryos are between the buyer and seller. All shipping costs are the buyer's responsibility and at the buyer's expense. All cattle sell under the standard terms and conditions as recommended by the American Angus Association.

Responsibility

The consignors will represent and be responsible for their animals. In no case will the consignor be responsible for any damages beyond the selling price of the animals. The sale manager assumes no responsibility, no warranties and no guarantees on the cattle presented in this sale. All transactions are between the buyer and seller.

The sale will be available online

Over 35 years in livestock marketing!

On behalf of the sale committee,

Hello and Welcome to the Fourth annual Angus breeders of Texas sale

It is a pleasure to have worked with the consignors of the 2024 offering. These producers represent programs from all over the state of Texas. We give thanks for additional rain in most parts of the state and increased cattle prices this year. We are enthusiastic about the outlook of the cattle industry and the opportunities that are available.

We are proud to bring you a diverse group of genetics that allows anyone the opportunity to find something that can fit into their program. It is our goal to help Texas cattle programs that choose to utilize Angus cattle for the betterment of the nation's cow herd and our consumers that enjoy the high-quality meat that we produce.

This year we are also offering a donation heifer, with all proceeds benefiting the American Cancer Society. Thank you to Young Angus for their donation.

If we can do anything to help you before, during, or after the sale, please don't hesitate to ask. We would like the opportunity to be of service.

Sincerely,
Trevor Beuerlein
Sale Manager

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

- Consigned by Black Diamond Angus
- Here's a good-looking open heifer with a unique pedigree combination brought to you from Black Diamond Angus. Her CED and BW both place her in the top 1% of the breed while maintaining a top 20% on yearling weight. Pile those impressive numbers on top of a top 10% Marbling, a top 4% Ribeye and you get a female that you need to add to your short list of animals that will need to be examined more thoroughly on sale day.

- Consigned by Williams Angus
- 1223 is a granddaughter of Connealy Clarity and out of a daughter of Poss Rawhide. The blend of better-than-breed average for CED, BW, WW and YW puts this heifer in a great position to be a great asset for her new owners. As you study her \$Values, you will quickly identify that she is better than average for 5 of the 6 \$Indexes.

Thank you
TO EVERYONE FOR
SUPPORTING THE ANGUS
BREEDERS OF TEXAS OVER
THE PAST 4 YEARS!

- Consigned by Encore Cattle and Genetics
- Pregnant. Pasture Exposed to Williams Promogen V, registration # 20156206 from 12/29/23 to 5/14/24. Expected Due Date 11/25/24. This bred heifer's dam is stylish and powerful. And she looks the part as well. This mating should be extremely desirable as Promogen will add some carcass and increase weaning weight performance.

Sixth Annual Production Sale
AT THE RANCH
DECEMBER 7, 2024

**OFFERING 90+ PLUS REGISTERED ANGUS HEIFERS AND COWS,
AS WELL AS 85+ PLUS REGISTERED ANGUS BULLS
WITH EPDS AND GROWSAFE PERFORMANCE DATA.**

**All animals have scan performance data. We use top performance AI sires
concentrating on low birth weight genetics with accelerated growth.
50K data to insure parentage and future performance.
FOR UPDATES AND MORE INFORMATION, GO TO 2BARC.COM**

2 Bar C Ranch Angus uses the most up to date 50K Genomic Data available at the time of breeding to insure the best possible enhancements to EPD factors that are important to commercial and purebred cattle producers. Producing bulls with high calving ease, great weaning and yearling weights that are superior in carcass weight, marbling and rib-eye help the commercial producer achieve the best profitability in their calves without sacrificing the maternal traits that are important to a well-balanced animal.

Our selection of high accuracy AI sires come from the top proven bulls in the Angus breed.
